A screenshot of a file download page. On the left is a blue folder icon with a white cloud inside. To its right, the text says "File was found and ready to download!" followed by "UPDATED 14 HOUES AGO". Below that, it says "Fastest Source: usenet.nl" with a checkmark under "enet.nl". A line of text reads "Click the **download button** and select one of the found **cloud sources**." Below this is a large blue "Download" button with a white download icon. To the right of the button is a lock icon and the text "SECURE SCANNED". Below the folder icon is a rating of "6.4" with five stars (three filled, two empty) and "2865 VIEWS". At the bottom, there is a message: "You need to log in before you can post comments." Below this message are three navigation links: "Navigation" with a signpost icon, "Registration" with a folder icon containing three people, and "FAQ" with a lifebuoy icon.
